BRIDGEWATER TOWNSHIP BOARD OF TRUSTEES MEETING THURSDAY, SEPTEMBER 5, 2019, 7:00 P.M. BRIDGEWATER TOWNSHIP HALL 10990 CLINTON RD, MANCHESTER, MI 48158

AGENDA

- I. CALL TO ORDER / ESTABLISH QUORUM / PLEDGE ALLEGIANCE
- II. CITIZEN PARTICIPATION
- III. APPROVAL OF BOARD MEETING MINUTES AUGUST 1, 2019
- IV. REVIEW AND APPROVE AGENDA
- V. BRIDGEWATER VILLAGE TILE COUNTY DRAIN UPDATE SCOTT MILLER
- VI. UNFINISHED BUSINESS
 - A. Proposed Accounts Payable Policy Discussion (Incorporates ACH & Credit Card Use Policies)
- VII. NEW BUSINESS
 - A. Financials, Approve Disbursements from August 1, 2019 through August 31, 2019
 - B. Approve Road Projects for 22A Gravel
 - C. Washtenaw County Broadband Task Force Representative Appointment
 - D. Bridgewater Commons Development Follow-Up

VIII. REPORTS & CORRESPONDANCE

- A. Public Safety Report Written report from Sheriff's Department
- B. Supervisor's Report
- C. Assessor's Report
- D. Clerk's Report
- E. Treasurer's Report
- F. Trustees' Report
- G. Zoning Administrator's Report Written report from Rodney Nanney
- H. Planning Commission Report Minutes included in Board packet
- I. Farmland Preservation Board Report

IX. CITIZEN PARTICIPATION

X. ADJOURNMENT

Bridgewater Township Board of Trustees Minutes

I. CALL TO ORDER

1-Aug-19 meeting called to order by Supervisor Fromhart at 7:00 p.m. followed by the Pledge of Allegiance at Bridgewater Township Hall, 10990 Clinton Road, Manchester, MI.

Present:Trustee Faust; Trustee Fromhart; Trustee Oliver; Trustee McQueer; Trustee WharamAbsent:None

Citizen attendance: 9

II. CITIZEN PARTICIPATION

• None

III. APPROVAL OF MINUTES

• Motion to approve the 6-Jun-19 meeting minutes as amended – Ms. McQueer; support – Mr. Oliver; vote – unanimous

IV. REVIEW AND APPROVE AGENDA

• Motion to approve the agenda as amended - Mr. Faust; support - Mr. Oliver; vote - unanimous

V. WASHTENAW COUNTY ADMINISTRATOR GREGORY DILL – MEET & GREET

- Mr. Dill introduced himself
- Talked about broadband access

VI. UNFINISHED BUSINESS

A. Gerken Materials, Inc. Amended Consent Judgement

- Motion to approve amended consent judgement & authorize Mr. Lucas to file with circuit court Ms. Fromhart; support Ms. McQueer; vote unanimous
- B. Gerken Materials, Inc. Gravel Due to Township
 - Motion to accept the proposal from with Gerken Materials including credit for years 2020, 2021, 2020 Ms. Fromhart; support Ms. McQueer; vote unanimous

VII. NEW BUSINESS

A. Financials & Approve Disbursements

- Disbursements of \$12,673.10 for general operations and \$8,474.10 for sewer operations; total expenditure of \$21,147.20 for the month of June
- Disbursements of \$39,954.13 for general operations and \$6,479.66 for sewer operations; total expenditure of \$46,433.79 for the month of July
- Motion to approve \$67,580.99 for 1-Jun-19 → 31-Jul-19 Ms. Fromhart; support Mr. Faust; vote unanimous

B. Proposed Medical Marijuana Facilities Ordinance

- Mr. Nanney talked about the ordinance
- Motion to approved medical marijuana facilities ordinance #72 with section 3.1 updated with 2 processor facilities; 2 secure transporters; 2 safety compliance facilities Ms. Fromhart; support Ms. McQueer; vote
- Trustee Faust yes
 Trustee Fromhart yes
 Trustee McQueer yes;
 Trustee Wharam yes

Bridgewater Township Board of Trustees Minutes

- C. Proposed Zoning Ordinance Amendments for Medical Marijuana Facilities
 - Mr. Nanney explained why the zoning ordinance must be updated
 - Motion to approved amendment 67-4 to the zoning ordinance for medical marijuana Ms. McQueer; support Mr. Wharam; vote
 - Trustee Faust yes Trustee Fromhart yes Trustee Oliver yes; Trustee McQueer yes;
- D. Manchester Township Fire/Rescue Contract 2019-2022
 - Motion to approved to the 2019-2020 Manchester Township Fire/Rescue contract Mr. Oliver; support Mr. Faust; vote unanimous
- E. Holy Trinity Romanian Orthodox Monastery Amusement Enterprises Application
 - Motion to approved Holy Trinity Romanian Orthodox Monastery Amusement Enterprises Application Mr. Wharam; support – Mr. Faust; vote – unanimous
- F. CAPT/DART Project List Request
 - The board request that Ms. Fromhart will respond saying that Bridgewater Township is not interested
- G. Bridgewater Village Tile Follow-Up Discussion
 - There was discussion about how much this will cost each property owner
 - The only recourse is to have the property owners partition the Drain Commission
- H. Metro Act right of way extension
 - Motion to approve the Metro Act right of way extension to Frontier Communications until 3-Mar-25 Ms. Fromhart; support Mr. Wharam; vote unanimous

VIII. REPORTS AND CORRESPONDENCE

- A. Public Safety Report
 - A written report from the sheriff's department is included in Board packet
- B. Supervisor's Report
 - See board packet plus
 - Final invoice from WCRC for Hogan Rd culvert
 - Motion to approve final payment to WCRC for Hogan Rd culvert for \$5,145.99 Ms. Fromhart; support Ms. McQueer; vote unanimous
 - Mr. Nanney will visit Mr. Barbu re: changes for party barn that have not been approved
 - Complaint re: barking dog at Nancy Hebb
- C. Assessor's Report
 - No report was available
- D. Clerk's Report
 - Public Accuracy Test was Wednesday 31-Jul-19
 - Election is Tuesday 6-Aug-19
- E. Treasurer's Report
 - Tax bills sent out
 - Sent out connection fees invoices for condos units 103 & 104

- Will send out sewer coupons
- Audit took place; updates to follow
- F. Trustees' Report
 - Trustee Faust
 - Xela Pack had bolts in pump; will invoice them
 - Bridgewater Commons; water in electrical; caused by using water before the sewer was connected; will invoice
 - Mr. Faust paid \$7000 of personal money to Michigan Pump to get needed grinder pumps. This was caused by the bills not being approved in the June board meeting. A request for a special meeting to approve the bills was denied by the supervisor.
 - Motion to approve reimbursement of Mr. Faust for personal expenses paid to Michigan Pump for pump repairs; amount TBD Mr. Wharam; support Ms. McQueer; vote unanimous
 - Trustee Oliver
 - \circ Meeting with WCCA
- G. Zoning Administrator's Report
 - A written report from Mr. Nanney is included in Board packet
 - Bridgewater Commons must complete landscaping before new zoning permits
- H. Planning Commission
 - The meeting minutes are included in Board packet
- I. Farmland Preservation Board Report
 - No meeting

IX. CITIZEN PARTICIPATION

• Dr. Samuels asking board to reconsider charges to tax bill

X. ADJOURNMENT

• Ms. Fromhart adjourned the meeting at 9:00 p.m.

Laurie

I have looked into the items we discussed, and have confirmed as mentioned in the public hearings that there is not an outside funding source for the Bridgewater Village Tile replacement. We do think it might be productive to run through a cost comparison of 20-year vs 30-year financing, in order to determine if you would like to join us in a discussion with USDA's Rural Development program. Right now, one of us could either meet or do a call with you any of these times:

- Aug 26th, between 11:45 and 2pm (both of us)
- Aug 27th, 8:30 or 9am (Evan only)
- Aug 28th, afternoon (Scott only)
- Aug 29th, any time (Scott only)

I was also thinking it might be productive for us to come to a Board meeting to discuss further in order to be sure all of their questions are answered and you're not caught in the middle.

Here are the details we agreed to look into and what we found:

- 1. The median income for the Township is greater than the threshold to qualify for Rural Development grant monies, but they indicated a 3.5% interest rate could be available for a 30-year bond. Median income was indicated to us as a little over \$70,000 per household.
- 2. The Drain Code does not allow for financing longer than 20 years, so the only way to access 30-year financing would be through Rural Development (RD). There are pros and cons to this, including some additional costs for getting into the RD program.
- 3. You asked about omitting a part of the pipe replacement. Because all of the pipe proposed for replacement is about 100 years old, we believe this would not be a responsible decision and would incur greater liability to the drainage district and therefore to each property owner there have been pipe failures in many of the past 15 years so we know there will be more. Any costs or damages for failure to fulfill our duties would be the responsibility of the drainage district to bear. Further, if we were to limit the replacement, we would not be providing benefit to the properties that drain to any section(s) not replaced. Therefore we would could not charge those properties draining to sections that are not replaced. This would therefore reduce the source of funding, and not provide a lower cost per parcel. Again, as we discussed, based on statutes and

case law, the legal liability for any material damage related to the drain would clearly be to the district – we know the pipe to be failed and defective in many locations. It would be no different than the liability incurred by driving a car when you know the brakes have failed – there will ultimately be an accident and someone knowingly taking on that risk would be responsible for all consequences.

- 4. We also investigated the process for abandonment of a County Drain. This was the only potential avenue that might reduce the responsibility and accountability of this office and the district. However, when there is an active petition, there is a five (5) year hold on a community initiating abandonment proceedings. In this situation, due to the extent of damage and repeated failures along with the added liability of doing nothing given our knowledge of the situation, we are unable to defer for 5 years. It is also unclear that abandonment would negate the liability for consequences related to future drain failures.
- 5. We are preparing a summary table comparing total and annual costs for 20 vs 30 year financing, and will provide this shortly for Township input. That really seems to be the only area where we can provide flexibility. There is substantially more cost in interest of going to 30 years, with a trade-off of moderately lower annual payments.

Because we know it is a challenge for the Township to set aside funds for anything that is not currently budgeted, the table noted in item #4 will specifically address the annual costs to the Township, which are similar in nature to the cost that will be assessed to the Township this December for the emergency repair of the section of pipe that failed in the driveway of the property on the north side of Austin Road last year.

Fortunately, the initial payment for this project would not be due in 2019, and the Township would have the ability to prepay some (or all) principal at the time construction starts to also reduce interest and annual payment obligations. We would expect the first installment for any portion of the project that is financed to be billed to the Township on December 1, 2020, as part of the tax roll sent to the Township. Thus the due date to the County would be Feb 28, 2021.

Please let us know if there would be a good time to either meet or talk on the phone next week. We can get you the comparison table by Thursday this week if not sooner, and it will also identify the individual property owner average annual cost. Of course there are 4-5 entities that own multiple properties in the district, and we can spend some time discussing property owner shares as well if desired.

Thank you

Evan

Evan Pratt Water Resources Commissioner Washtenaw County Washtenaw County Water Resources Commissioner's Office

705 N. Zeeb Rd. Ann Arbor, MI 48103

BRIDGEWATER TOWNSHIP ACCOUNTS PAYABLE POLICY ADOPTED:

I. Accounts Payable

The Township Clerk/Deputy Clerk shall be responsible for processing all accounts payable. The Township Clerk may designate other Township personnel to process accounts payable if the Township Board has agreed to incorporate that function in the job description of that position.

II. Processing of Claims

Requests for payments to vendors shall be documented in writing by a vendor invoice or, in the few instances where no invoice is forthcoming, by a written request by the department head requesting payment. Except for rare exceptions, only original invoices shall be processed for payments, as statements or copies of invoices may result in duplicate payments. Appropriate documentation (supporting invoices) shall be attached for all disbursements. Original bills, not copies, must be used for documentation.

Employee expense reimbursements shall be documented on an expense voucher prepared by the employee. All invoices, departmental check requests and expense vouchers shall include the following:

- 1. Vendor name
- 2. Purpose of payment request
- 3. Unit price and units delivered (if applicable)
- 4. Date goods delivered or services rendered
- 5. The related purchase order (if applicable)

All requests for payments shall be approved by the department to which the expense shall be posted by initialing the document.

All requests for payment shall be submitted to the Township Clerk/Deputy Clerk by the 25th day of the month prior to the Township Board meeting at which claims will be approved.

The Township Clerk/Deputy Clerk shall verify the payee, amount, purpose and the disbursing fund of each request. After verification, the Township Clerk shall prepare a warrant, enter it into the general ledger and make a copy for Township records.

III. Claims Reports

The Township Clerk/Deputy Clerk shall prepare a claims report to the Township Board showing the fund, vendor name, nature of the expense, invoice number and warrant number (i.e., check number). Any items paid prior to Township Board audit shall be noted on the warrant report or on a separate report.

Invoices and bills supporting the claims report shall be available for Township Board member review by 4:00 p.m. on the Monday prior to the Township Board meeting. Township Board members are responsible for scrutinizing the bills prior to Township Board approval.

IV. Board Approval Required for all Claims

All claims shall be approved by the Township Board prior to payment, with the exception of tax collection disbursements and claims authorized by policy for post-auditing by the Township Board.

V. Board Post-Audit Authorized for Certain Claims

Only the following types of claims may be paid by disbursements made prior to Township Board audit and approval:

- 1. Payroll & Payroll (Paychex) Fees
- 2. Utility Bills (DTE Energy, Consumers, Frontier)
- 3. Cardmember Services (Credit Card Bill)
- 4. Staples Bill (Office Supplies)
- 5. Konica Minolta Bill (Copier)
- 5. Assessor Wages & Expenses
- 6. Plant Operator Wages & Expenses
- 7. Invoices with penalties that would be incurred if payment is not received prior to the Board meeting where claims will be approved.
- 8. The Supervisor may authorize emergency expenditures when deemed essential due to the imminent threat to the health, safety and welfare of the Township.

Any claims authorized under this policy prior to Township Board approval shall be postaudited at the next Board meeting.

VI. Check Controls

Numerically controlled, pre-numbered checks shall be used. Checks shall not be signed prior to being completely filled out. Cleared checks must be returned to the Township or electronically stored.

VII. Authorized Check Signers

The following officials are the only persons authorized to sign checks:

- Township Clerk or Deputy Clerk (to signify Board approval)
- Township Treasurer or Deputy Treasurer (to make it a check)

VIII. Check Processing

Each (*warrant, check, voucher, payment, disbursement*) shall be signed by the Township Clerk or Deputy Clerk to document Township Board authorization of that payment and forwarded to the Township Treasurer by the next business day following the Township Board meeting at which they were approved. If payment is made in compliance with the Township Board-adopted post audit policy, the signed [warrant, check, voucher, payment, disbursement] shall be forwarded to the Township Treasurer not later than the next business

day after the [warrant, check, voucher, payment, disbursement] is signed by the Township Clerk or Deputy Clerk.

The Township Treasurer or Deputy Treasurer shall verify that the funds are available, sign the (*warrant, check, voucher, payment, disbursement*) and distribute it. Checks shall not be returned to the Township Clerk or the originating office for distribution.

IX. Electronic Payments

Following Township Board approval or in compliance with the Township Board policy for post-auditing payments, the Township Clerk or Deputy Clerk shall initiate electronic payments and the Township Treasurer or Deputy Treasurer shall review and accomplish.

Electronic payments or ACH agreements are authorized if in compliance with the following policy provisions.

X. Electronic Payment (ACH) Definitions

"Automated clearing house" or "ACH" means a national and governmental organization that has authority to process electronic payments, including, but not limited to, the national automated clearing house association and the federal reserve system.

An "ACH arrangement" means the agreement between the originator of the ACH transaction and the receiver of an ACH transaction.

An "ACH transaction" means an electronic payment, debit or credit transfer processed through an automated clearinghouse.

An "ACH policy" means the procedures and internal controls as determined under this written policy developed and adopted by the Township Treasurer.

XI. Authority to Enter into ACH Arrangements and Electronic Transfers of Public Funds

The Township Treasurer may enter into an ACH arrangement.

XII. Responsibility for ACH Agreements

The Township Treasurer or Deputy Treasurer is responsible for the Township's ACH agreements, including payment approval, accounting, reporting and generally for overseeing compliance with the ACH policy.

The Township Treasurer shall submit to the Township Board documentation detailing the goods or services purchased, the cost of the goods or services, the date of the payment, and the department levels serviced by each payment of public funds made by electronic transfer. This report may be contained in the Township's electronic general ledger software system or in a separate report to the Township Board.

XIII. Internal Accounting Controls to Monitor Use of ACH Transactions Made by Township

The following system of internal accounting controls will be used to monitor the use of ACH transactions made by Bridgewater Township:

The Township Treasurer shall prepare a list of vendors authorized to be paid by ACH transaction and provide that list to the Township Clerk.

The Township Clerk initiates the transaction upon receipt of an invoice included on the authorized ACH list approved by the appropriate Township official. ACH invoices must

be approved before payment. The Township Clerk signs the ACH invoice, which then acts as the warrant.

The Township Clerk presents the (*warrant or check*), a list of bills for payment, and a separate list of the electronic payments for Township Board approval. The Township Board approves all transactions prior to disbursement.

Following Township Board approval, the Township Treasurer signs the ACH warrant, initiates the electronic transaction with the vendor and makes the actual transfer of funds.

The Township Treasurer shall retain all ACH transaction documents for audit purposes.

The Township Clerk shall retain all invoices for audit purposes.

- Recommend Disbursement Accounts Key Bank General Fund and Sewer O/M Checking Accounts
- Accounts Payable DTE, Card Member Services, Consumers, Frontier, Konica Minolta, Paychex, Staples.
- Property Taxes Credit Card payments from Point and Pay. Deposited to United Bank & Trust Tax Fund

XIV. Credit Card Use Policy

The Township Clerk is responsible for issuing, accounting for, monitoring, retrieving and generally overseeing compliance with the Township's credit card policy.

Township credit cards may be used only by an officer or employee of the Township for the purchase of goods or services for the official business of the Township.

Township officers and employees who use a Township credit card shall, as soon as possible, submit a copy of the vendor's credit card slip to the Township Clerk. If no credit card slip was obtained that described the transaction, the employee shall submit a signed voucher that shows the name of vendor or entity from which goods or services were purchased, the date and the amount of the transaction, the official business that required the transaction, and the chart of account number indicating the line item to which the transaction is to be charged. All credit card slips shall include this information as well. Vouchers shall also include a statement why a credit card slip was not obtained.

An official or employee who is issued a credit card is responsible for its protection and custody. If a credit card is lost or stolen, the Township Clerk shall be notified. The entity issuing the lost or stolen credit card shall be immediately notified to cancel the card.

An officer or employee issued a credit card shall return the credit card to the Township Clerk upon termination of his or her employment or service with the Township.

The Township Clerk shall maintain a list of all credit cards owned by the Township, along with the name of the officer and employee who has been issued the credit card, the credit limit established, the date issued, and the date returned. Each employee shall initial the list beside his or her name to indicate agreement that the credit card has been issued, and that the employee has received and read a copy of this policy.

The Township Clerk shall review each credit card statement as soon as possible to ensure that transactions comply with this policy. Any transactions that appear on the statements that are not documented with a credit card slip or a signed voucher shall be immediately investigated. Transactions that do not appear to comply with this policy shall be reported to the Township Board.

The Township Board shall not approve a payment to the entity issuing the credit card until all transactions have been verified, including the approval of all transaction invoices if issued.

The balance, including interest due on an extension of credit under the credit card arrangement, shall be paid for within not more than 60 days of the initial statement date.

Officers and employees who use a Township credit card in a manner contrary to this policy shall be subject to disciplinary action, including possible termination of employment, reimbursement to the Township for unauthorized expenditures, legal action or criminal liability.

RE: Road Projects

From: Harmon, Jim (harmonj@wcroads.org)

- To: bridgewatertwpsupervisor@yahoo.com
- Date: Wednesday, August 21, 2019, 12:08 PM EDT

Good afternoon Laurie,

Following your response I've had an opportunity to discuss alternatives with Roark and Ken. Roark confirmed the surface types of the unpaved local roads within the township and I have attached a highlighted certification map to this email for your reference. The 22a gravel stockpile at Gerken is limited for application to the local road segments highlighted in orange. Accepting that you are not supportive of applying the material to Hack Road has initially proposed, we offer the following choices for consideration. The entire stockpile should be applied to one of the segments to make the investment meaningful. Please note that the gravel is not adequate to resurface the entire length of any one of these segments. Instead, the material would be spotted along the road segment in notorious low spots or hillcrests that are most difficult to presently maintain or are most prone to rapidly deteriorate following storm events, under traffic loading and during spring thaw.

The following recommendations are ranked:

- 1. Arkona Road between US-12 and the Saline Township line, spot application of 2,000 tons of 22a gravel along this 0.98 mile road segment; OR
- 2. Willow Road between Hogan Road and Sheridan Road, spot application of 2,000 tons of 22a gravel along this 1.58 mile road segment (please note that this choice would complement the township-funded drainage improvements accomplished in 2017); OR
- 3. Logan Road between Hogan Road and Sheridan Road, spot application of 2,000 tons of 22a gravel along this 1.77 mile segment (please note that this choice would complement the township-funded drainage improvements accomplished in 2017)

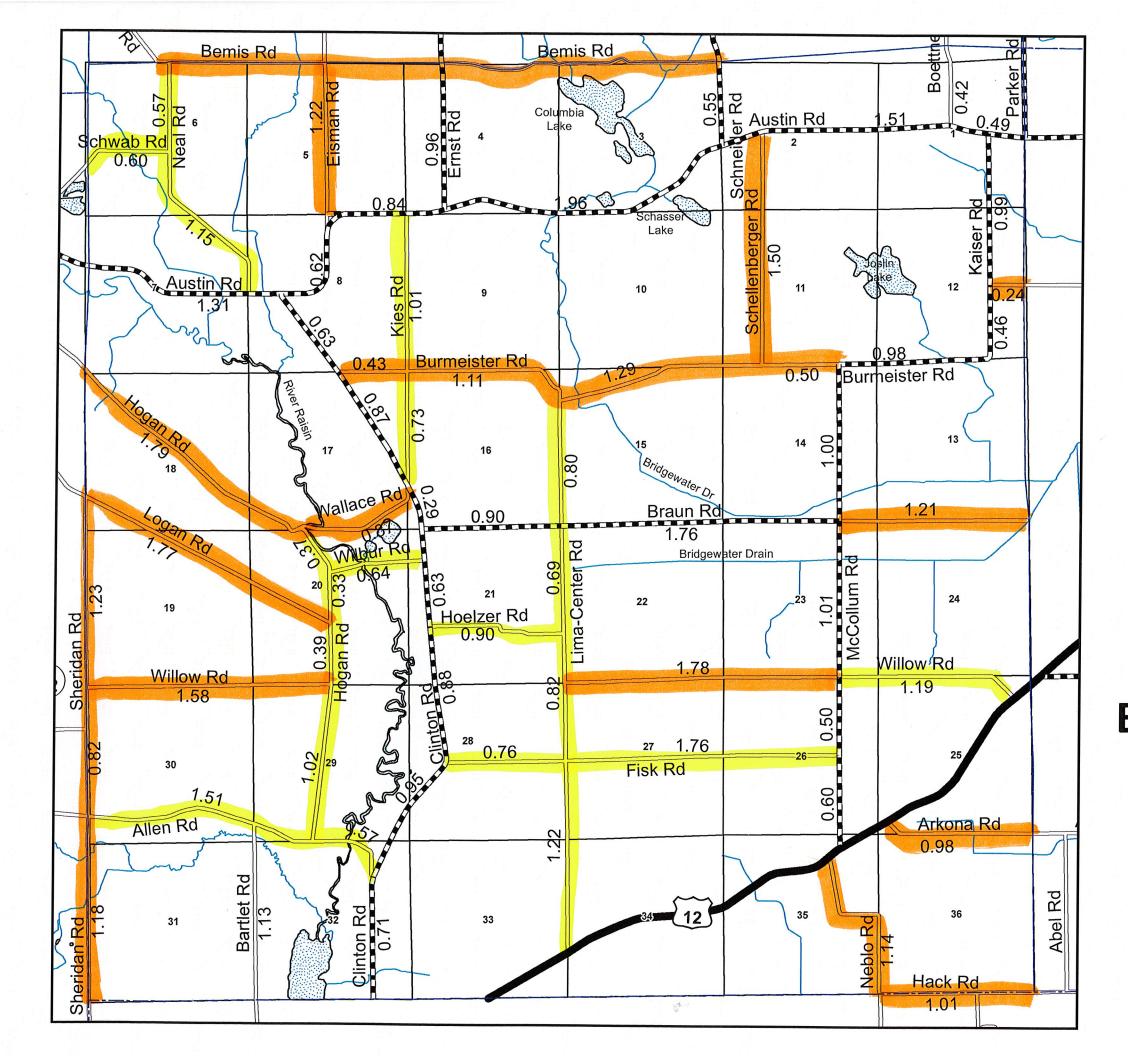

Upon review, please contact me or Roark directly to discuss further if necessary. It remains our commitment to the township to reach a mutually agreeable decision for the investment of the township-supplied 22a gravel stockpile.

Respectfully yours,

Jim

Bridgewater Township, Michigan Supervisor Laurie Fromhart 10990 Clinton Road Manchester, MI 48158

Dear Supervisor Fromhart,

In preparation for future grant opportunities supporting high speed broadband expansion, the Washtenaw County Board of Commissioners has approved funding for a survey to assess high speed broadband coverage at the household level in 16 rural Washtenaw County townships as well as to measure resident interest in subscribing to such service if it becomes available.

Because your Township has been identified as one of the 16 Washtenaw County Townships that is under or unserved by existing high-speed broadband providers, I write to invite you to become a member of the Washtenaw County Broadband Task Force (BBTF) or to appoint another Township resident to serve as your representative.

Please provide to the BBTF staff support person, Lisa Moutinho, <u>moutinhl@washtenaw.org</u>, no later than September 15, 2019.

- Your BBTF Township Representative's name, title, mailing address, email address and cell phone number (for time sensitive text messages)
- Your preferred email address if you are interested in receiving BBTF email updates
- A request for a representative from the BBTF to attend one of your Board meetings

BBTF Purposes:

- Achieve county-wide high-speed broadband access by 2022
- Identify households without high speed broadband access
- Assess resident interest in subscribing to high speed broadband if it becomes available
- Achieve a state of preparedness in preparation for grants to fund broadband expansion into the 16 rural, western Washtenaw townships of Ann Arbor, Augusta, Bridgewater, Dexter, Freedom, Lima, Lodi, Lyndon, Manchester, Northfield, Saline, Scio, Sharon, Sylvan, Webster, and York

BBTF Member Expectations:

- Commit to attending bi-monthly BBTF meetings
- Update home Township on BBTF proceedings
- Articulate concerns and strive to offer alternative solutions
- Advocate on behalf of the BBTF

The BBTF meets twice a month from 8:00-9:00 AM at the Chelsea District Library. As the Township Supervisor, your participation (or that of your designee) is important to

- ensure continuity in the BBTF discussions and decisions
- include your Township's perspective
- maintain transparency regarding the terms and conditions of grant opportunities

BACKGROUND: In July of 2017, the Washtenaw County Board of Commissioners created the Broadband Subcommittee, tasked with exploring immediate and long term countywide broadband access and equity, appointing Barb Fuller as the chair. That group's <u>final report of 2018</u>, revealed that nearly 8,000 households in Washtenaw County, totaling nearly 20,000 people, do not have access to high speed broadband internet in their homes. Of those with internet access, many are underserved, meaning they may have access that does not meet the FCC's broadband definition of 25Mbs download and 3Mbs upload. Lack of broadband accessibility has a significant impact on economic development, property values, personal prosperity, education, health and safety, and overall quality of life. Nearly all these households are in the rural portions of Washtenaw County, and incumbent broadband providers are unwilling to expand their infrastructure arguing that the population density does not meet the profit requirements of their business models.

The Broadband Subcommittee's report further recommended ongoing work on this challenging issue, such as a county-wide feasibility study, a county-wide aggregation map and continued awareness of the challenges faced by our rural communities. The committee demonstrated a commitment to seek grant opportunities to help our underserved and unserved areas to achieve broadband equity.

Based on the Subcommittee's report, the Board of Commissioners added Broadband Equity to their 2019 Calendar of Deliverables, a set of community goals they believe require priority attention to improve the quality of life for our residents. To accomplish this particular goal, the Board of Commissioners has created a Broadband Task Force, again chaired by Barb Fuller, and charged it with fulfilling the recommendations of the Broadband Subcommittee to achieve broadband equity throughout the county by 2022. The Board has expressed their collective commitment to the Task Force, and two Commissioners, District 1's Jason Maciejewski and District 3's Shannon Beeman are serving along with the task force members to provide support and help to identify the best solution for this county-wide problem.

Achieving countywide broadband equity within the next 3.5 years is a monumental challenge and reaching this goal will require community collaboration. The BBTF has already begun meeting and recognizes that your Township is one that experiences broadband inequity. This letter is intended to ensure that you are provided with an opportunity to participate in these conversations and help the task force with the work that needs to be done.

The Broadband Task Force appreciates that the Washtenaw County Board of Commissioners has made this concern a priority and is looking forward to working with your Township to meet the broadband needs of our collective community.

Sincerely,

/S/

Barb Fuller, Chair Washtenaw County Broadband Task Force

October 17, 2018

Laurie Fromhart Bridgewater Township 10900 Clinton Road Manchester, MI 48158

Regarding: Bridgewater Commons – Project Close Out

Ms. Fromhart,

We have reviewed information provided to our office regarding this project. This includes letters from the Township's former engineer, the Washtenaw County Public Health department, and the amended Master Deed. We have also performed a site inspection of the final paving of JoAnn Trail within the development.

After reviewing these documents, we have determined that the following items must be submitted for review and approval:

- 1. As-Built Record Drawings: These need to include the horizontal and vertical locations of the sanitary sewers, grinder pumps, and storm sewers.
- 2. Sanitary easements: These specific easements, with descriptions, need to reflect the approved site plan and/or as-built condition of the sanitary sewer system and grinder pumps for all areas that were constructed.
- 3. Well Permits: See attached letter dated May 24, 2017.
- 4. Minor Site Plan Amendment: The unit numbers on the site plan need to match the unit numbers recorded in amended Master Deed.

Items 1 and 2 are necessary to accept the sanitary sewer system as a public utility. Without these items, the project may be in violation of their Part 41 Wastewater Construction Permit. No further sanitary sewer connections and grinder pumps should be permitted until all items are addressed. If there are any questions regarding this letter, please feel free to contact me at (734) 239-6610.

Thank you,

Kristofer Enlow, P.E. Principal

Ron and Joann Finkbeiner Bridgewater Commons Development LLC 109 Joann Trail P.O. Box 20 Bridgewater, MI 48115

Re: Bridgewater Commons

Dear Ron and Joann:

This letter serves a follow-up notice from my previous letter dated September 17, 2018 regarding grinder pump easements. Our Township engineer has reviewed the project file for the Bridgewater Commons development to address outstanding items. Please see the attached review letter from Township engineer Kristofer Enlow.

Please note the outstanding items listed in the Township engineer's report are your responsibility and must be submitted to the Township for review and approval. Also no further sanitary sewer connections and grinder pumps shall be permitted until all outstanding items are addressed.

I trust the requested documents can be produced in a timely manner to allow you to move forward with your development.

Please don't hesitate to contact me if you have any questions or concerns.

Sincerely,

Laurie Fromhart Bridgewater Township Supervisor

June 25, 2009

Jolea Mull Bridgewater Township Supervisor P.O. Box 28 Bridgewater, MI 48115

Regarding: Bridgewater Commons OHM Job No. 0022-05-1043 Project Status

Dear Jolea:

Our office issued letters to your attention on September 10, 2007 and September 28, 2008 regarding the status of the above project and the outstanding items needed for project acceptance. We have attached a copy of each letter for your further reference. Since that time we have not received the requested information or had any contact with the developer or their agents. The items identified in that letter remain outstanding and are identified below:

- 1. Punch list item corrections
- 2. Record drawings
- 3. Sanitary easement descriptions
- 4. Additional escrow deposit

In addition to the previously requested items, at this time we recommend the Township request a bond for the final paving course for Joann Trial, the completion of the detention basin construction and site grading. This will ensure the Township has the ability to provide a finished pavement surface and a working storm water management system in the event the developer is not still involved in the project at build-out. As we discussed, we do not recommend final paving until the development is 70 to 80 percent occupied. This could be years from now, and this bond would assure that the entire infrastructure for the project is completed.

Please note the items of immediate concern are the sanitary easement descriptions, the record drawings, and the additional escrow deposit. The record drawings and easement descriptions are necessary to accept the sanitary main as a public utility. We do not recommend allowing private connections to this facility until the easements are in place.

If the Township does not acquire easements for the public portion of the sewage collection system, the Township may be in violation with the Part-41 Construction Permit requirements issued by the Michigan Department of Environmental Quality for this project.

As previously stated in our letter dated September 10, 2007 we have an outstanding escrow balance of approximately \$2,700.00. We anticipated the Township would require the completion of the project per the originally approved site plan. However, that does not seem to be a Township priority. We have enclosed our invoice No. 126848 in the amount of \$2,710.50. And we are requesting final payment for our service provided to date. We will not provide any additional services concerning this project until we receive a written request from the Township for further services. We will be closing our file on this project.

If you have any questions or would like to discuss the matter further, please contact either of us at (734) 522-6711.

Sincerely,

ORCHARD, HILTZ & McCLIMENT, INC.

Laurie Fromhart Bridgewater Township Supervisor 10990 Clinton Rd Manchester, MI 48158

Dear Ms. Laurie Fromhart,

The Sheriff's Office is pleased to provide the attached July 2019 police services report for Bridgewater Township. This report provides a variety of information including time in the Township by position, traffic enforcement activity, total calls for service (including the State Police), and Deputies from other contract jurisdictions who responded to calls in Bridgewater Township. You will see the format is slightly different than prior reports, but it includes the same information. Also included is the breakdown of calls for the month, which includes the date and area where the incident was located.

As a reminder for residents they can sign up for "Up-to-the-minute updates" from the Washtenaw County Sheriff's Office by email or cell phone at <u>www.nixle.com</u>.

Also available to residents is the ability to sign up for house checks if they are going out of town for a period of time. The house watch form can be found at <u>https://www.washtenaw.org/1743/House-Watch</u>.

If you have questions, wish further information or clarification please contact me at <u>kingl@washtenaw.org</u> or at (734) 994-8104.

Respectfully submitted on behalf of Sheriff Clayton,

Risa King

Lisa King, Lieutenant Sheriff's West Operations

August 15, 2019

Kelli Sobel Michigan Department of Treasury P.O. Box 30471 Lansing, MI 48909

Re: 2018 AMAR Review - Corrective Action Plan

Dear Ms. Sobel:

This letter serves as a response for a corrective action plan due to the December Board of Review's failure to meet the requirements of MCL 211.53b. The December Board of Review granted a Principal Residence Exemption (PRE) that was not timely filed by the November 1st deadline, which they had no statutory authority to do so. Please be advised this was an unusual case in which the PRE was granted.

Bridgewater Township plans to create a policy to address this issue that will follow the State of Michigan guidelines with the understanding that any acceptance of late filings for PRE's after the November 1st deadline will be at the discretion of the Board of Review. The Township expects the policy will be completed and implemented by December 31, 2019.

I hope this letter satisfies the State Tax Commission's request.

Sincerely,

Laurie Fromhart Bridgewater Township Supervisor

Manchester: Village or City?

William K. Fahey – Fahey Schultz Burzych Rhodes PLC August 13, 2019 Presentation to Manchester Township Board

Manchester Village electors soon may be given an opportunity to become a city. The decision will ultimately be for the Village voters, but will affect the entire community, including the Township and its residents outside the Village. Here are some of the issues and questions that incorporation of Manchester as a city may present.

1. Are the costs of a city higher than a village? If a city is formed, Village residents will likely pay more for the same services they now receive from Manchester Township, and for other hidden costs that the Village's recent study has underestimated or missed:

Elections:	New city voting machines are not just a one-time investment; they need periodic updating and replacement.
	Annual city election costs often involve multiple elections, and each election presents a separate cost.
Tax assessing and collection:	Annual assessing costs are estimated very low; costs are increasing due to pressures from State Tax Commission.
	Tax appeals require substantial additional assessing and attorney costs; a single tax appeal can cost 3-4 times the annual assessing budget.
Fire services:	A new contract will be required; no guarantee that a new city would pay as little as the Township now pays.

2. Would Village residents reduce their local property taxes by becoming a city? If the Village becomes a city, it will need to replace current Township services and increase the taxes to Village taxpayers. To maintain the same level of services Village residents currently receive, the new city tax millage will have to be substantially greater than the current Village tax millage. The average Michigan city levies about 5.5 mills more than the average village. No Michigan village has ever reduced its taxes by becoming a city. In one new city, Caseville, the village millage of 10.97 has so far grown to a city millage of 18.67.

3. Will becoming a city reduce duplication of government services? Unfortunately, the opposite would be true. If a new city is created, there will be two separate elections instead of one, two assessors instead of one, and two separate tax collections instead of one.

4. *Have other villages voted against cityhood?* Sebewaing and Oxford voted down cityhood most recently. Cityhood was also rejected in Holly, Bellaire, Sparta, Climax, and other villages. The village's own incorporation committee in Sparta found that "becoming a city would only duplicate [township] services and increase city operational costs."

5. Will Village and Township electors be allowed to vote on cityhood? If the State Boundary Commission approves the cityhood petition, Village voters can request a referendum election, and they will also need to vote on a charter. Township residents have no vote on city incorporation.

6. Will cityhood affect the Township's revenues and expenses? If the Village becomes a city, its tax revenues will decrease due to the loss of taxable value. However, its expenses will also be reduced, since it will no longer be responsible to provide services to the new city. Typically, the Village is the most expensive part of the Township to serve, so cityhood may reduce financial stress on the Township budget. More study is required to be sure.

7. Will cityhood affect any Township-owned properties? Any Township-owned properties within the Village at the date of city incorporation must be divided between the Township and the new city. This would include the Township Hall and the Township-owned lot across the street. The new city could insist on payment of its share in cash or could force the properties to be sold and the proceeds divided between the Township and the new city.

8. Will cityhood affect any other Township financial assets or liabilities? If the Village becomes a city, the statutes require that many of the Township's financial assets and liabilities must be divided between the Township and the new city, but not all Township assets are counted in this division. This sometimes results in a required payment from the city to the Township, since the applicable Township liabilities may exceed the Township assets.

9. Can the Township avoid the division of property and assets? If the city incorporation goes forward, it may be financially advantageous to the Township to sell the Township Hall and other real estate it owns in the Village and purchase real estate and building outside the Village in the Township. It may also be advantageous to purchase other assets that are not subject to division after a new city is created.

10. Will cityhood affect local government relationships? City incorporations have been very divisive in several recent cases, leading to increased strife and disputes between the new city and the surrounding townships. They often lead to increased annexations. This is sometimes driven by the new city's need for additional revenues, since it cannot continue to deliver the same services as before cityhood without substantially increased costs.

11. What else can Village residents do to reduce their local taxes? One option Village residents have is a Village-Township consolidation. This option could remove a layer of government cost currently embedded in the Village and allow all the services to be delivered or managed by the Township. Unique services that the Village currently enjoys could be maintained with service rates or special assessments, which do not require a duplicative government infrastructure to maintain.

12. How can a Village-Township Consolidation Happen? The process has several steps. It starts with a petition by 15% of the Village electors. Then, after preparation of a plan for consolidation by the Village, the consolidation is decided in an election by the local voters of the Village and the Township.

Re: Connecting Michigan Communities Grant Program

From:Ben Fineman (ben@mbcoop.org)To:bridgewatertwpsupervisor@yahoo.com

Date: Thursday, August 29, 2019, 10:13 AM EDT

Hi Laurie, thank you for being on the lookout for opportunities! Indeed we have been tracking this one. I was actually on the committee in summer of 2018 that made the recommendations for the structure of this grant program, though those committee recommendations were almost entirely overridden by telecom lobbyists.

One of the main problems with the program in the way it ended up being legislated was that governmental entities are excluded. So, neither the township nor the County were eligible. Another is the speed threshold which is 10Mb and would have excluded about 1/3 of Bridgewater Township based on the "official" FCC data.

However we did have conversations with various providers to try to entice them to include Washtenaw townships in a CMIC grant application of their own. We had some success in that Comcast may be submitting an application that includes areas in Dexter and Manchester Townships. This is largely due to the survey work done by those townships that provided Comcast with better coverage data than the FCC has, as well as proximity to Comcast's current service areas.

So short answer is no opportunity here for Bridgewater, but participation in the County data collection project will help position you to take advantage of future opportunities like this.

Thanks, Ben

That is not entirely uncommon. For reasons unknown to me, that dead end stub was never dedicated to the public and certified as a public road. It serves as a private driveway. Our road development standards would not allow it to become public either.

Jim,

Do you know why the County does not maintain the portion of Kaiser Road north of Austin Road?

BRIDGEWATER TOWNSHIP

Rodney C. Nanney Zoning Administrator 10990 Clinton Road Manchester, MI 48158

August 27, 2019

Mr. George Barbu 10383 E. Austin Road Manchester, MI 48158

VIA EMAIL

<u>Final Notice of Violation</u>: Violations of the Approved Minor Site Plan and Special Use Permit for the Historic Blum Farm Event Barn at 10383 E. Austin Rd., parcel no. Q-17-02-300-019.

Dear Mr. Barbu:

This final notice of violation is intended as a follow up to my initial 8/1/2019 verbal Stop Work Order and follow up email notices on 8/5/2019 and 8/20/2019 sent in response to the unlawful construction activity and unlawful use of your event barn facility for business events without all required permits and approvals in place.

During the special use permit review process for your event barn application, you asked me specifically about whether it was OK for you to host certain private family activities on the property or in the barn. Examples of family activities included in our discussion were a wedding for a family member who lived in your home on the parcel, a "barn sale" of household items run by your family, a family reunion dinner, and a gathering of invited members of your family's church congregation.

I confirmed at the time and in subsequent conversations that these private family activities would not be considered to be business events, and could be held during the application review process. I also confirmed that no business events could take place until all permits and approvals were in place and all conditions of approval had been fully satisfied.

On July 9, 2018, the Planning Commission granted special use permit approval for your event barn facility, subject to seven (7) conditions, including requirements that:

- *"(T)he barn building satisfies all applicable State Construction Code requirements for a public assembly use, prior to occupancy as a special event rental venue."*
- "The Zoning Administrator shall verify that <u>all required access</u>, <u>parking</u>, <u>and other</u> <u>improvements have been completed consistent with any approved site plan</u>, prior to occupancy as a special event rental venue."
- "Copies of <u>all outside agency permits and approvals</u> shall be provided to the Zoning Administrator prior to occupancy as a special event rental venue."

On May 20, 2019, the Planning Commission granted a conditional approval of your minor site plan for the above listed project, subject to several additional conditions, including:

- Within 90 calendar days, <u>the applicant shall address all remaining details noted in the</u> <u>Township Planning and Engineering consultant reports on a revised minor site plan</u>, and shall submit four paper sets and two digital sets in PDF format of the minor site plan for administrative review and acceptance by the Township Planner and Engineer, <u>prior to the</u> issuance of any bldg. permits or the start of any construction activity for this project.
- <u>Prior to opening the facility for business</u>, the applicant shall provide to the Township zoning Administrator written confirmation from WWCA of compliance with public assembly code requirements.

• <u>Prior to start of construction, copies of all outside agency permits and approvals shall be</u> <u>submitted to the zoning administer</u>.

On August 1, 2019, I learned during a Township Board meeting that you had initiated construction activity on the property, including driveway and parking lot improvements, in violation of these conditions of approval. I also learned that you had chosen to disregard the parking lot and driveway construction details on your site plan by dumping and spreading multiple tons of an unauthorized and inferior fill and surfacing material (asphalt millings) on the site.

On August 19, 2019 I learned during a Planning Commission meeting why you may have chosen to initiate the unlawful construction activity. On August 2-3, 2019, you hosted a business event on the property, which included a wedding and reception on behalf of Township resident Scott Nelson, his son and new daughter-in-law, and their family and friends. This event included both use of an outdoor tent and seating area, use of the barn building, and use of the newly completed access and parking improvements. I subsequently learned that you had at least one additional business event scheduled for August 23-24, 2019, which was a wedding and reception for your niece, who does not live in your home. In both cases, these are business events governed by the requirements of the Zoning Ordinance and the approved special use permit for the event barn.

Please accept this letter as confirmation that the unlawful construction activity and unlawful use of this facility for business events without all required permits and approvals in place constitute serious violations of the approved special use permit for this facility, the minor site plan as approved by the Planning Commission, and the following sections of Township Zoning Ordinance No. 67:

- Section 1.05 (Compliance Required);
- Section 7.06 (Compliance with Special Use Permit Approval); and
- Section 8.11 (Compliance with an Approved Site Plan

You chose not to construct the parking and access improvements in compliance with the Planning Commission's approved minor site plan, including the approved fill and standard limestone surface materials. You chose to violate the conditions of site plan and special use permit approval by hosting business events on the property and in the barn building. I appreciate that you also chose to cancel or relocate the 8/23-24/2019 event. However, please be aware that your actions and ongoing violations of the approved site plan constitute grounds for the Planning Commission to rescind their special use permit approval for the event barn facility per the procedure outlined in Section 7.09 (Rescinding Special Use Permit Approval).

Because of the blatant nature of the use violations and ongoing site plan violations, the revised minor site plan cannot be reviewed and accepted though an administrative action as contemplated by the Planning Commission's conditional approval. Instead, your revised minor site plan and this notice will be forwarded to the Planning Commission for their consideration.

Please plan to attend the regular Planning Commission meeting on Monday, September 16, 2019, 7:00pm in the Township Hall where these matters are expected to be on the agenda for discussion.

Respectfully submitted,

Rodney C. Nanney Zoning Administrator

WASHTENAW COUNTY ROAD COMMISSION

TOWNSHIP/STAFF REPORT – August 6, 2019

For the period of July 8 thru July 28, 2019

TOWNSHIP REPORT

OPERATIONS REPORT

MAINTENANCE

Scraping of gravel roads and patching of paved roads were performed throughout the county. In addition, the following maintenance activities were performed in individual townships:

BRIDGEWATER TOWNSHIP PLANNING COMMISSION MEETING MONDAY 7 PM August 19^{th,} 2019 BRIDGEWATER TOWNSHIP HALL 10990 CLINTON RD.

Meeting Minutes

I. CALL TO ORDER

Horney@ 7:08

II. ROLL CALL

Horney, Messing, Baetens, Iwanicki, McQueer all present, Quorum complete

III. REVIEW AND APPROVE AGEND

Approved as presented, motioned by Horning Second by Messing. Vote Yea/all

IV. APPROVAL OF MINUTES

Approved as presented, motioned by Messing, Second by Iwanicki. Vote Yea/all

V. CITIZEN PARTICIPATION

None

VI. PUBLIC HEARING

Open Public hearing at 7:16, Motioned by Messing, Second by Horney. Roll call vote, Horney, Messing Iwanicki, Baetens, McQueer, Yea all

Larry Henes 8383 Austin Rd, Saline, spoke of concerns regrading trucking and potential for additional traffic.

Nancy Frey 8430 Kaiser Rd, Saline, shared her concerns for the process and feels that "everyone else "can do it but them. She is very upset about the final rules.

Closed hearing at 8:102, Motion McQueer, Second Iwanicki. Roll call vote, Horney, Messing, Iwanicki, Baetens, McQueer, Yea all

McQueer motioned and Messing second to approve a special use permit to operate Edge Binding and Serging LLC, a custom carpet and rugmaking service (for binding, serging, fringe, applied backings, resizing of pre-made rugs, carpet base, and rug repairs) as a home-based limited business at 8430 Kaiser Road (parcel #Q-17-01-100-028) in the R-3 (Hamlet Residential) District, in accordance with the requirements of Section 5.204 (Home Occupations and Home-Based Limited Businesses) and subject to a condition that semi-truck and trailer deliveries to or from the site are prohibited and No outdoor trash storage for the business. Motion adopted as presented, Roll call vote, Horney, yea Messing, yea Baetens, yea Iwanicki, Yea McQueer Yea

OLD BUSINESS

Brief discussion on the Barbu/Historic Blum Farm Wedding Venue, which included the potential violation of the driveway and Venue use. Mr. Nanney will follow up and report more next month.

Supervisor Fromhart was present and shared with the Commission that she was aware of an event being held.

VII. NEW BUSINESS None

VIII. COMMUNICATIONS

Zoning Administrator report on file

Trustee reported no board meeting in July

IX. INFORMATIONAL ITEMS

Holy Trinity Romanian Orthodox church is holding their annual open house August 31-September 1.

X. PUBLIC COMMENT None

XI. ADJOURNMENT

Horney motioned to close the meeting, Messing second Vote Yea/all

Next meeting is Monday September 16th at 7:00 pm.
