VI. Discussion Items

a. Treemore Ecology Update

Barry Lonik reported that roughly one hundred properties have been identified using the Washtenaw County Parks and Recreation Commission parcel-prioritization data available, and that has been accomplished. Lonik identified top priorities and made several calls to top priority landowners. Lonik has fielded two inquiries from priority landowners. Lonik explained the WCPARC application deadline and review process. Lonik has printed one hundred copies of the WCPARC NAPP application to include with the next letter to be sent to priority landowners. Plans for the next mailing were discussed, and a rough timeline was developed. Lonik will send a mailing to invite priority landowners to a February 8th.
